EFFECTIVE 18 FEBRUARY 2026

The HSGS Newspaper Archive is no longer available through the Iosco-Arenac District Library website.

The Newspaper Archive is owned and maintained by the Huron Shores Genealogical Society. While the Library continues to provide local access through our server, the Library no longer provides public web hosting.

You may still visit any of our eight branches to access it from our public computers.

If you have any questions regarding the Archive, its content, or future online availability, please contact the Huron Shores Genealogical Society.
